ज्योतिषशास्त्रं महापुण्यं प्रमाणत्वेन निश्चितं ।
चन्द्रार्कौ तथा साक्षित्वं भजेते निश्चलं यतः ॥

- vedic astrology is a devine science. The Sun and the Moon are the witnesses to this divine science.
- God has decorated the heavens with constellations like pearls on a dark steed. The light of the Sun hides them in the day, and all knowledge of them is divined in the darkness of the night (Maharishi Parasara Rig-Veda 1.68.4)
 - hOra shAstra – Horology or study of time
 - gaNita shAstra - Mathematical astrology and astronomy
 - gOLa shAstra - Astronomy
